

User Stories - Sprint#2

11.12.2023 – 07.01.2024

1. Title: As a user, I want to be able to like and leave a comment to a post

Description: the post needs to have an option to like it and an option that opens the comment section on the post page.

Acceptance criteria - positive:

- Scenario: a user wants to comment on a post
- Given: user completed the form
- When: user submits the form, and the post is still in the database
- Then: the comment is added to the post

Acceptance criteria - negative:

- Scenario: a user wants to comment on a post
- Given: user completed the form
- When: user submits the form, and the post got deleted
- Then: an error message is displayed, and the user is returned to the previous page

2. Title: As a user, I want to be able to edit and delete the comments I wrote.

3. Title: As a user, I want to have a personal feed filled with recent posts of the users I followed in order to learn more about new places
